SIXTEENTH REQUEST FOR EXTENSION OF TIME

Pursuant to Rule 2.102(c)(2) of the Trademark Rules of Practice, Occidental Petroleum Corporation, a Delaware corporation, with an address at 10889 Wilshire Boulevard, Los Angeles, California 90024, requests a further extension of time, to January 3, 2003, within which to oppose the above-described Application.

Applicant and Potential Opposer have reached an agreement in principle on the terms of a settlement. Several drafts of a Settlement Agreement have been exchanged between the parties, and it appears likely that this matter will be settled. Applicant's counsel expects Applicant to have comments on Potential Opposer's suggested revisions within the next few weeks. This extension is requested in order to give the parties additional time to finalize their agreement.

This extension was consented to by Ralph Cathcart, Esq., of Ladas & Parry, attorneys for Applicant, by telephone on October 25, 2002.

Accordingly, Potential Opposer respectfully requests that the proposed extension be granted.

This Sixteenth Request is submitted in triplicate.

Dated: October 30, 2002

Respectfully submitted,
